To Whom It May Concern:

On Line Media have worked closely with Schlumberger on a number of design and printing work including greeting cards, newsletters, annual gifts, stationary, and more.

Their work is constantly of an international standard, service friendly yet professional with a personal touch, and they have always met their deadlines if not delivered ahead of time.

Their superior service coupled with competitive comparative transparent pricing policy guarantees that we will be working together on many projects yet to come.

Yours Faithfully,

Ayman Naber  
Supply Chain Manager
